

Memo No.1980

Date:12.10.2026

**Admission of Foreign Nationals to Postgraduate Programs
Academic Session: 2026-2027**

Applications are invited from foreign nationals through the official online application portal of Rajshahi University of Engineering & Technology (RUET), available at <https://pg.ruet.ac.bd/> for admission to the postgraduate programs for the academic session 2026-2027. Interested candidates must submit their applications and required documents electronically through the RUET admission website, following the instructions provided therein. After preliminary evaluation by the University, shortlisted applications will be processed further in accordance with the applicable rules and regulations of the Government of the People's Republic of Bangladesh. Applicants are advised to complete their online applications well before the deadline to allow sufficient time for verification and subsequent formalities. The deadline for online application submission for the Fall Semester is 31 October 2026, and for the Spring Semester is 31 March 2027.

1. Eligibility Criteria for Postgraduate Program

Foreign nationals from universities in non-English-speaking countries (unless they provide proof that English is the language of instruction for all courses) must have a minimum IELTS score of 5.5 or a minimum TOEFL score of 60. Applicants must also meet the following requirements:

(a) Master of Science in Engineering (M.Sc. Eng.)

For admission to the Master of Science in Engineering (M.Sc. Eng.) program in any department or institute, candidates must hold a B.Sc. Eng. degree or an equivalent qualification in the relevant field or branch from a recognized university or institution, with a minimum CGPA of 3.00 on a 4.00 scale or its equivalent. Additionally, candidates must have a minimum GPA of 3.50 on a 5.00 scale or its equivalent in both SSC and HSC or equivalent examinations.

(b) Master in Urban and Regional Planning (MURP)

For admission to the Master in Urban and Regional Planning (MURP) program, candidates must hold a BURP degree or an equivalent qualification from a recognized university or institution, with a minimum CGPA of 2.75 on a 4.00 scale or its equivalent. Additionally, candidates must have a minimum GPA of 3.00 on a 5.00 scale or its equivalent in both SSC and HSC or equivalent examinations.

(c) Master in Engineering (M.Eng.)

For admission to the Master in Engineering (M.Eng.) program in any department or institute, candidates must hold a B.Sc. Eng. degree or an equivalent qualification in the relevant field or branch from a recognized university or institution, with a minimum CGPA of 2.75 on a 4.00 scale or its equivalent. Additionally, candidates must have a minimum GPA of 3.00 on a 5.00 scale or its equivalent in both SSC and HSC or equivalent examinations.

(d) Master of Science (M.Sc.)

For admission to the Master of Science (M.Sc.) program in the Departments of Physics, Chemistry, and Mathematics, candidates must hold a 4-year B.Sc. (Honors) degree or an equivalent qualification in the relevant field or branch from a recognized university or institution, with a minimum CGPA of 2.75 on a 4.00 scale or its equivalent. Additionally, candidates must have a minimum GPA of 3.00 on a 5.00 scale or its equivalent in both SSC and HSC or equivalent examinations.

(e) Master of Philosophy (M.Phil.)

For admission to the Master of Philosophy (M.Phil.) program in the Departments of Physics, Chemistry, and Mathematics, candidates must hold an M.Sc. or an equivalent degree in the relevant field or branch, with at least a Second Class or a CGPA of 2.75 on a 4.00 scale in both B.Sc. (Honors/Pass) and M.Sc., along with a strong academic record.

(f) Doctor of Philosophy (Ph.D.)

For admission to the Doctor of Philosophy (Ph.D.) programs in any department, candidates must hold a M.Sc. Eng./M.Eng./M.Sc./MURP or equivalent qualification along with a 4-year B.Sc. (Honors)/BURP or an equivalent qualification in the relevant field of Engineering or Science from a recognized university or institution, with a strong academic record.

2. Offered Programs

Details of the postgraduate programs offered by Rajshahi University of Engineering & Technology (RUET) are available at <https://ruet.ac.bd/page/programs-offered>

3. Selection Procedure

Applications submitted through the online system will be reviewed by the RUET Admission Committee. Eligible candidates will be selected strictly on the basis of the documents submitted, academic merit, and the availability of seats. The University reserves the right to request additional documents and/or conduct interviews, if deemed necessary. Selected candidates will be issued a Program Award Letter and an Admission Offer Letter, which may be used for visa processing, admission formalities, and other related purposes. Applicants must submit all required documents along with the original certificates and transcripts for verification by the Application Evaluation Committee for final admission. Following verification of the submitted documents, the University Authority will grant final admission to the successful applicants.

4. Facilities and Costs

Tuition and other fees for postgraduate studies for foreign students shall be charged as specified in the table below. A limited number of scholarships may be available to support tuition and accommodation expenses.

Fees and Charges	SAARC+African Countries	Other Countries
Application processing fee	No fee	No fee
Tuition fees	USD 100 per semester	USD 150 per semester
Accommodation	USD 200 per year	USD 250 per year
Travel	Applicant's own expense	Applicant's own expense
